Shun Weed

Pretty, right?

I come here because
this is the only place where
flowers are in season

girls are most
beautiful in a
field of flowers

What are you?

Don't you
recognize
this face?

Does having
the same face mean
that you're the same
existence as that?

Huh...

Where should I start?

Dragons do no craft or even express the emotions that humans spread throughout the world. But as Dragons are originally beings of consciousness,

they are inevitably vulnerable to those emotions

When Darkness expressed corruption from an emotion,

Darkness himself became corruption

Maryak's son was doing well,

until his heart was penetrated with Darkness and he was tainted.

Nevertheless, there is still hope for him as he hasn't finished nothing.

That kid accepted everything from her So, if that was death...

She's not breathing

What am I supposed to do with a corpse?

As she is now,
this child is nothing more
than a vessel, her life force
has been depleted.

In fact, she should have
faded out of existence
as a fallen star disappeared
without a trace.

For those eyes, one Ti-Whin
the Ryukun, all known to have
one night, something related to
return of affection. So, in her
first moments, in that desperation,
Vero asked her.

He transformed into
an Anchor for her soul.

And, consequently,
I was also able to linger.

I merged with
a nearby crystal,
but doing so has
left me immobile

And without energy from
the Dragon Pearl or
Myaku Forest Forest, this child
will only grow weaker

Now
mentioned
her soul?

Yes, do you want
know where it is?

You're no fun

It's right here

RUSTLE

In my current condition
it is difficult to even
manifest a corporeal image

however, if you help me,
I'll be able to sustain it.

You won't even
find it difficult, as you're
remarkably strong.

Simply put this
crystal necklace
around your neck.

And concentrate
as if you're making
a contract—

Why should
I do that?

You haven't
even explained
what you are.

And,

what benefit
is it to me to help
sustain this girl?

*She is of no
value to me...*

"Your judgement has greatly improved since then."

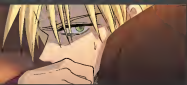

"But I must say, you take after your father."

Both you and he grow weak after getting involved with a woman."

Damn it.

Why should I
listen to someone

who lives around
with dead people?

Well, I was only
suggesting it because
you seem unstable

But, there's
nothing I can do if
you want to leave

Yero won't be able to
endure for long, it will have
wasted its life for naught

And so for me, I shall become
a parasite like the Parkinson

While every living creature
will perish, from the parasites
that Karuik has become

This girl also
will disappear

Without a trace
Without meaning

Just like that...

It's your choice.

What will
you do?

'Human.'

That winter, a storm raged

with the swirl of blood, pain

and death persisted.

It was as though the world was trying to bring an end to it all.

Restarting the eternal cycle once more.
